Digital Assets are speculative, complex and involve significant risks – they are highly volatile and sensitive to secondary activity. Performance is unpredictable and past performance is no guarantee of future performance. Consider your own circumstances, and obtain your own advice, before relying on this information. You should also verify the nature of any product or service (including its legal status and relevant regulatory requirements) and consult the relevant Regulators' websites before making any decision.

**CryptoNitro**, his employees, team members, companies, and law firm, DO NOT provide financial or investment advice. All content is for informational purposes only. We are not registered investments, legal advisers in the financial or investment spaces, tax advisors, broker, or dealers.

Trading any crypto-related and blockchain asset, including non-fungible tokens (NFTs) is extremely risky and could result in significant capital losses and unexpected liabilities.
